New driveway installed

10 / 10

We were extremely happy with the standard of work. Our new driveway has extensive curves and every cut was very precise, the overall finish excellent. The price was good value for the quality of workmanship we received. It was a pleasure having Chris and his team doing work for us, a thoroughly nice chap with a superb work ethic. We have had experience of two previous driveway companies at our earlier homes and this has been by far the best. We would thoroughly recommend Ultra Drives. **Customer in Worthing, 19 May 2012**
