Fantastic. Very professional from start to finish. Unique Build are very friendly and helpful and have proven beyond doubt that they are extremely skilled and creative. I am very pleased with the results. I would most definitely recommend to anyone requiring quality, professionalism and reliability. **Customer in Brighton, 22 May 2011**

#### Fitted an oak floor

10 / 10

We chose Unique Build to do this work for us as they had recently fitted us a new kitchen which we were extremely pleased with. We were glad we chose them again because the floor is wonderful, and the choice of having wood was on their recommendation. **Customer in Melton Mowbray, 14 May 2011**

#### New design and build of outside seating area, meet and greet desk, service stations, build of new toilet block, refurbishment of Kitchen, numerous small building and design works

10 / 10

Unique Build, have been contracted by us to do various works by us over the last few years, we are very challenging in our projects, particularly the work with our architects involved, Unique have always come through as they tend to understand innovation and forward thinking, especially when it comes to an otherwise impossible design, their work has always been to a very high standard. Our business and building have won many awards, the building particularly many architectural awards, so working with a great team like unique build is of paramount importance to our integrity. **Customer in Brighton, 13 May 2011**

#### Loft conversion
