Close board fencing on side of drive way 10 / 10
This is the second job Lee and Russell have done for us and again another excellent job. They fitted a 6m x 1m high close board fence on our driveway so had to be bolted to concrete floor. Again I am really pleased with work they have done and would recommend them to anyone. **Customer in Southampton, 13 February 2012**

30m Close board fencing and gate 10 / 10
Lee and Russell are great blokes, work really hard and nothing is to much trouble. Very prompt and do what they say when they say. They fitted 30 metres of close board fencing with concrete posts and concrete gravel boards and did an excellent job and really quickly too. Also they removed a 30 foot high tree. I would recommend them to anyone and will be having them back for more jobs. **Customer in Southampton, 25 January 2012**
