New Bathroom

10 / 10

I chose Vale Property Services on the basis of their score on CheckaTrade and am pleased to say that the work carried out reflected his score. Alex takes great pride in doing a quality job. We had a bathroom refitted with shower, sink, toilet and radiator. All works were done to a high standard. I would not hesitate to recommend Alex to my friends. **Customer in Brighton, 3 February 2012**

Replace a shower room

10 / 10

Alex stripped and fitted out a shower room, travelling from Brighton to Croydon while I was on holiday. The work was completed on time and I now have a great looking and working shower room with an incredible shower. My neighbours have all commented on his time keeping and his tidiness and his courtesy **Customer in Croydon, 5 December 2011**

Design and fitting kitchen

10 / 10

Alex has done a fantastic job. The space for the new kitchen was extremely limited - Alex has made the most of the small space and had to cope with difficult access to the property. I would definately him recommend to others. **Customer in Hove, 24 October 2011**
