### Most Recent Customer Feedback

#### Replacement of Bottom four panels

9.8 / 10

Work was done on the agreed day and avoided major disruption thanks to it being done later in the Afternoon. They worked around us and were very polite and despite the warehouse door being tricky to upbolt (A fault with our old door panels) they did a great job and finished leaving the warehouse clean and tidy. All done to agreed quote and very happy with the work done. **Customer in Guildford, 14 May 2012**
