Telephone socket 10 / 10
We thought we would have to also have a new tv socket installed Nathan could of got extra work out of us but he was honest and told us it was not needed as sky would do the work needed I am going to use Nathan again for more work and can not recommend him highly enough **Customer in Eastbourne, 2 November 2011**

Investigate and rectify cause of very poor signal quality in lounge 10 / 10
Nathan arrived at the agreed time. He was very knowledgeable, using professional equipment to test the strength of aerial signal, quickly finding and rectifying the fault. Very pleased with his work and charges, would certainly use him again. **Customer in Eastbourne, 11 November 2010**
