The work was done to a high standard. The work areas were tidied at the end of each day. The work men and everyone in the company was friendly, efficient and very courteous. The price was competitive and extra work was fairly charged and done well. Would recommend to anyone. **Customer in Christchurch, 8 March 2012**

I was so impressed by the work of his staff and the quality of the door. It took me six months to find the right door and I'm so glad that they supplied and fitted. I have a wow door. I would recommend them for your first and last look to supply and fit. **Customer in Bournemouth, 28 September 2011**
