Repair boiler leak

10 / 10

Reliable and good service, will use again. **Customer in Romsey, 23 December 2011**

Fixed Gas Fire, and replaced shower unit.

10 / 10

Initially called VTD to fix a gas wall fire, which was done extremely quickly. Asked if he had time to swap over shower unit (new one identical to old one). This was not as straight forward as was expected, but VTD persevered. For which I am extremely grateful. Will be using him again in the future. **Customer in Gosport, 11 November 2011**

Boilermate 2000 repaired

10 / 10

Boiler was not heating water, in this house the Potterton boiler is slaved to a 'Boilermate 2000' system, which demands hot water rather than having a standard tank. The indications on the Potterton were not covered in the maintenance manual. He used the manuals and technical advice to identify that it was a PCB on the Boilermate that was at fault and sourced as quickly and cheaply as possible a replacement. He replaced the PCB and checked operations. All done courteously and cheerfully. I would definitely use/recommend him again. **Customer in Gosport, 19 August 2011**

Installation of new combi -boiler into loft and radiators throughout house

10 / 10

We can't thank you enough for all your hard work in updating our heating system. We were really impressed how hard everyone worked and how professional you and your team are. Thank you so much! Everyone had extensive professional knowledge and were highly conscientiousness. The team were really friendly, and the tidy up afterwards was immaculate. Thank you! **Customer in Fareham, 7 June 2011**

Mending waste disposal unit in kitchen

10 / 10

I rang Volodymyr at VTD yesterday (Sunday!) morning because the unit was broken and blocked. He was round to my house within forty minutes - and less than an hour later the disposal unit was working perfectly again. He was polite, cheerful and incredibly particular in cleaning up and taking away the rubbish. His charge was very reasonable. I shall be using him and his company again. **Customer in Waterlooville, 17 April 2011**
