Unblocking Drain and installation of washing machine

10 / 10

This is by far the best service I have received from a Plumber. Bill was exceptional - he arrived early, got the job done, and sent me a very reasonable invoice. The second job I asked him to do was an emergency and he managed to come on the same day and didn't charge me extra. He's a great guy to deal with - doesn't get chatting for ages - just gets the job done and done well. This is the only guy I'll be calling from now on. **Customer in New Malden, 11 May 2012**

Main Drain unblocked

10 / 10

Mr Carman arrived 10 minutes early and got straight on with the job - a very unpleasant blocked drain. He quoted for up to an hour but in the event needed nearly two hours, although he charged only a few pounds more. Drain unblocked! Mr Carman could not have been easier to deal with - polite, knowledgeable and happy to deal with a horrible task. Like all good craftsmen he appreciates a cup of tea! I thoroughly recommend him - thanks William! **Customer in New Malden, 28 February 2012**
