Fence line changed to front of property

10 / 10

The work was carried out in less time than expected and we were charged less than the agreed price as a result (without asking!). The workmanship was excellent and you would hardly know they'd been here. We would highly recommend them and have already asked them to quote for more work..... **Customer in Guildford, 8 February 2012**

Replace High Mesh Perimeter Fence / Paint Fence and Steel Uprights

10 / 10

This was not a typical fencing job , I did search around for company's who would carry out the work however Wesson Fencing were the only company willing to undertake the work , as a lot of the work had to be carried out with use of a cherry picker and a crane for installing steel uprights , the job was on a boundary with local service station , so all aspects of Health and Safety had to be dealt with as the service station is busy with the public. However I was able to trust Mr Green and his men to get on with the job which ran smoothly and ahead of schedule. **Customer in Ashford, 3 February 2012**

9 fencing panels replaced and gate lifted
