Most Recent Customer Feedback

Carried out drainage survey on a house prior to purchase 10 / 10

This was the second of two surveys which Wessex Drainage did for me. On both occasions, the staff I spoke to were very friendly and helpful and dealt with my questions patiently and thoroughly. I would not hesitate to recommend them to others and would use them again. **Customer in Brandon, 13 April 2012**

Clear blocked drain 10 / 10

Came very quickly and completed work, checked all drains were clear. **Customer in Waterlooville, 17 February 2012**

Repair to soil vent pipe by applying 90 degree resin patch liner 8.8 / 10

They were very good and efficient, they arrived 1 1/2 hours late however and did not let me know, I had to phone company. **Customer in Christchurch, 28 January 2012**

In this instance we agree with the customer. We are pleased that our operatives gave good service and can only apologise for our lack of communication. We should have told the customer about our re-scheduling due to mechanical problems. Negative feedback is good when it highlights faults in the system. Please feel free to publish
