Design and build a website

10 / 10

Wicked Kippers designed and produced both a Logo and the website for my company.

Their service was fast, efficient, and above all, friendly.

They guided me through every step of the process and kept me regularly updated with progress reports, which is very helpful if, like me, you are not technologically minded!!!! **Customer in Bexhill-on-sea, 1 September 2009**

Fantastic template and web design! Bob walked my wife and I through the whole process. He was very patient and handled every question with sincerity! I would highly recommend this company for fast, reliable and total professionalism! Keep up the great work. As a small business person I will refer clients to him and his company. Craig was also very thoughtful and insightful!

Thanks again **Customer in Bexhill-on-sea, 29 June 2009**
