Holmes Couriers Website and Drew Holmes Cyclist website

10 / 10

Bob did a fantastic job with the Holmes Couriers website creating a clean, classy, colourful website, everything we ask for is put onto the website or changed by the end of the day. As a company we are constantly complemented on our website and how professional it looks. Bob was also kind enough to offer sponsorship to Drew Holmes in the form of creating and maintaining a website for a year. The website is fantastic! I would highly recommend Wicked Kippers to any up and coming business. They are professional, organised and generally fantastic to work with. **Customer in Haywards Heath, 24 January 2011**
