Replacement of panels in porch and replace window in kitchen door 10 / 10

Windowfix were recommended to me by a friend. Mathew Long was clear in what would be done, the quotation was exact and he was very honest and said that due to the age of the porch he could not guarantee an exact match as brown UPVC. In any event the new panels matched perfectly and the porch is 100% improved - thank you. The two fitters who attended were clean and tidy, polite and a pleasure to have in my home. Very happy to recommend to anyone **Customer in Epsom, 30 April 2012**
