Carpet Cleaning

10 / 10

I have in the passed used carpet cleaners and most of the time they look great after they have been cleaned but then the same stains return. Wizard cleaning offered me a pre clean before cleaning them and the results were incredible. None of the same stains re- appeared and they looked better then they have done for a long time.

I would highly recommend them. **Customer in London, 18 February 2010**

Very pleased with the cleaning. Also I am a landlord and so was not at the property. I gave the address of where to pick up the keys and paid for the work via credit card. Hassle free. Will definitely use this company again. **Customer in London, 27 January 2010**
