It was a pleasure to deal with these guys from start to finish, polite courteous, value for money, and a standard of finish second to none. Please don't hesitate to ring them, you won't be disappointed, I'm glad I did. **Customer in Leatherhead, 18 April 2012**

#### New fencing to side of property and repairs to fence at rear of property

10 / 10

Found Phill helpful and polite when he came to estimate work and was only company who actually talked us through options and what would be best option. Gave 2 estimates for 2 different options. Phil and his colleague arrived on time to do the work and were polite. Really 2 excellent guys. They ensured I was happy with what was to be done and before they started the fencing checked I was happy with where the fence would go showing me with a plumb line. Excellent on all counts highly recommend them. There was nothing to fault at all. I did wait several weeks before they could start the work but frankly worth the wait. It's the best fencing job I have ever had. Once they had completed the work apart from having a lovely new fence you would not know that had been as they cleared every single bit of debris from my garden. Fantastic thanks guys. **Customer in Epsom, 11 April 2012**

**Removed old fence and put up a new one and a garden gate.**

10 / 10

Phil and Adam did a fantastic job of taking down and disposing of our old fence. They built a new fence which has made such a difference to our garden. They also put up a new back gate which is very secure. The weather was very cold but they did not complain, got on with the job and kept us up to date at all times. Am now looking for extra jobs that they could do!!! **Customer in Worcester Park, 30 January 2012**
