We are delighted with our new kitchen. Woodchip Carpentry was great to work with from start to finish. They gave us excellent advice from the outset which all proved to be correct. Neil and his team worked to a very professional standard. Nothing was too much trouble and everything was done with the minimum of fuss. It was a pleasure to have them in the house and we will definitely have them back for the next job that needs doing. **Customer in Camberley, 16 May 2012**
