**Problems with wifi printer following broadband upgrade** 10 / 10  
Julian responded very quickly to our request for help and fixed the problem within a short time, plus carried out a quick check of our system. As always his knowledge and helpfulness is so refreshing in todays world. **Customer in Horsham, 11 April 2012**

**Clean hardrive of laptop and add Security package.** 10 / 10  
As always done well and within budget. **Customer in Billingshurst, 10 April 2012**

**Computer rebuild** 10 / 10  
Julian is a very trustworthy, knowledgeable and friendly chap. From me calling him with a pc that wouldn't even boot up to the time that my hard drive was installed into another pc (& all settings saved) and me being able to work again was 2.5 days! He seemed to pull out all the stops for us. I would have no hesitation of recommending Julian to anyone
