Friendly, informative and a thorough job done. We're awaiting invoice so can't comment on quote compared with actual cost of work done. **Customer in Earlswood, 14 March 2012**

I was really pleased with all the work these guys did. They were really helpful in giving suggestions to what could be done - things I wouldn't have even thought about. Very tidy with minimum of fuss. Probably hoovered up better than I would have myself each day! Really nice guys and I felt quite happy to leave them to it while I was out. Would definitely use them again. **Customer in Redhill, 6 February 2012**
