Redecorate Living Room 10 / 10
Andy and Ryan have done a lot of decorating work for us in the last few years, decorating the living room being the most recent. Their work is very high quality and they are tidy throughout. Their product knowledge is also second to none and they are always happy to advise on the most suitable materials and methods to get any job done. They will keep you informed of any problems they encounter and keep you up to date with their progress. I have no hesitation in recommending them. **Customer in Hove, 7 March 2012**

Renovation of flat in early Victorian building 10 / 10

I had originally envisaged just a tidy up and new kitchen before the next tenant but Andy Meredith has very high standards and infected me with his vision! The flat looks amazing now, and feels more snug than it has in the 25+ years I've had it. He also had an imaginative way of putting units in my cramped gallery style kitchen which has turned it into a very pleasant room. He was very close to his original quote and kept me well-informed of problems as they arose. I found him trustworthy - very important as I live over 3 hours away! **Customer in Brighton, 24 January 2012**
