Updating of separate wc room and updating of en suite shower room including tiling and fitting of new vanity units and Saniflow system. 10 / 10

Peter came to see the work that was required and was polite, honest and most helpful with ideas. Peter and Steve arrived as arranged to begin work and for the four days they were here we did not hear one word of complaint of how difficult certain jobs were and no huffin' and puffin'! They quietly and efficiently got on with the jobs at hand and always had a smile. Their workmanship is of a high standard and a reasonable price. We are so pleased with them that we have booked them in to renovate our bathroom too! The phrase 'does what it says on the label' comes to mind with a little bit extra! **Customer in Banstead, 14 August 2017**

New Bathroom and down stairs toilet. 10 / 10
The old bathroom was completely removed, new tiles on the walls, and the floor. There were problems with the floor or the walls not being square but Pete and Steve resolved these issues. The work was undertaken in a very professional manner and the completed bathroom is finished to a very high spec. I am very happy with it. **Customer in Epsom, 27 April 2017**
