Patio stones laid. 10 / 10

Fantastic job. Our tiny garden has been transformed and looks amazing. Work is of a very high standard, everyone we dealt with was friendly and it's clear that they take a lot of pride in their work. Would highly recommend. **Customer in Woking, 29 September 2017**

Garden clearance, new lawn and fence. 10 / 10

A total transformation of our garden. End result is far better than we expected. Vince and his father are so hard working and take such care and pride in the work they do. We have already requested additional work to be done and would recommend them to anyone needing similar work. **Customer in Woking, 18 September 2017**

Stone circle patio laid 10 / 10

Great finish, very happy. Very helpful and even took away some waste stone for me without additional charge. Will use again. **Customer in Woking, 25 August 2017**

Back patio paving and fencing 9.75 / 10

Good quality work at a competitive price. I would feel comfortable recommending Aqua Azzurra to friends. **Customer in Woking, 28 July 2017**

New patio installed. 10 / 10

The job was discussed in detail ahead of commencement. Preparation (including adjustment to an existing gate) was carried out in agreement with me and was well executed. Material deliveries (which needed to be lifted over a wall) were well planned and executed. The quality of the stone block preparation and installation was excellent as was the installation of the grouting. The work was carried out in a timely manner. The site was left in a clean and tidy condition.
