Recent Customer Feedback

New bathroom fitted. 10 / 10

The work was to a very high standard, the workmen were unfailingly professional and polite, and extremely tidy. I am thrilled with the end result and would recommend them very highly. They had previously revamped my kitchen and I had no hesitation in asking them back to do a thorough overhaul of a very tired and badly laid out bathroom, they did an excellent job, offering advice along the way whenever I needed it, which was very helpful. A thoroughly professional talented team. **Customer in Tunbridge Wells, 9 February 2018**

New kitchen/diner. 10 / 10

Beechwood Home Improvements managed the entire process from building regs to plumbers/electricians. The standard of the work was excellent, they left everything tidy, and attention to detail was superb. Nothing was too much trouble and were always on hand to help. We had a really tight deadline and they pulled out all the stops to meet it which they did with no compromise in quality. I have since had lounge flooring done and would definitely use them for future work. I have recommended them as excellent to several friends and family. **Customer in Crowborough, 1 December 2017**
