Recent Customer Feedback

In this case it was a question about a couple of radiators that had stopped working and what were the best options to get them going again. 9 / 10

Damian was very helpful and we explored possible causes alongside short term and long term solutions. Fortunately one of the short term ones restored performance and we will leave the longer term options pending. **Customer in Rickmansworth, 14 December 2017**

Damian is extremely knowledgeable and worked very efficiently with his colleague. We are very happy with the work he carried out and all was as expected.
