Nicely done with courtesy and efficiency. Nothing was too much trouble and Brian even helped move items that were in the way. To show there were no water leaks after he was finished he wiped the fresh joints with a tissue and showed it to us as proof, which was a nice touch. After he tidied up he shook hands and off he went, bringing in our wheelie bin in from the pavement on the way! We can thoroughly recommend this tradesman. **Customer in Chatham, 26 March 2018**
