From the initial visit to the completion of work, contact was timely and efficient. Estimate of time-scale was vague, but in fact the job was done very quickly. **Customer in Aldershot, 25 October 2017**

Impressed with speed and tidiness of the fitters. Really good experience from first consultation to completion. No 'hard sell' just helpful information. Will use again for next lot of window replacement. **Customer in Aldershot, 23 October 2017**
