#### Fascia soffits and guttering.

House looks fantastic really happy with the work. Also had had windows and doors fitted by classic windows and found the workmanship to be excellent. The team seemed to have a lot of experience and completed the work as soon as they could. There was a day that rained so they called off but were there 08.30 the very next morning. My tenant is very happy with the work and as a rental property I found classic windows prices very reasonable. I would recommend this company as communication was excellent throughout the work being completed. **Customer in Farnborough, 5 April 2018**

#### Conservatory replaced

9.75 / 10

We are very pleased with our new conservatory. The lads did a great job. They left no mess and worked hard to make sure we were happy with the finished job. We had a problem with the door locking and the company were straight back to repair this for us. An easy company to work with especially as they completed the work so soon after we originally contacted them. **Customer in Farnham, 29 March 2018**
