Carpet cleaning

10 / 10

Marc has cleaned carpets before for us and this time we asked him to clean them in a buy to let property just before the tenants moved in. There had been some building work and the carpets were pretty dirty although reasonably new. As before, Marc did an excellent job. We didn't ask for an estimate although Marc offered one because we trusted him to do the job at a fair price and he has not let us down. We have no hesitation in recommending him. **Customer in Bognor Regis, 16 April 2018**

A large damaged section of lounge carpet was repaired using a spare piece. Stairs, hall and lounge were then cleaned.

Marc Peirce arrived on time and was extremely friendly and pleasant throughout. He took time to explain the processes used and to answer any questions I had. Marc made sure I was happy with the tricky repair. Had I not been satisfied I feel confident he would have redone it. The cleaning of the carpets was thorough and efficient, using a non toxic solution. I would not hesitate in recommending Marc Pierce for repairs and cleaning of carpets. **Customer in Worthing, 9 February 2018**
