Recent Customer Feedback

Resealed leaky dorm roofs. 10 / 10

Really professional and courteous, came out same day to review the issue, and due to the nature of the job fixed it within a couple of days. Very well priced and excellent quality of work - pics shown before and after - they even called later on to make sure there weren't any ongoing issues and the fix had resolved the issue. These are a rare find and I cannot recommend them enough, top guys! **Customer in Kettering, 12 March 2018**

Ridge tiles and chimneys work. 10 / 10

Repairs to ridge tiles dry edge fitted to replace storm damage. 10 / 10

Would recommend to anyone, knowledgeable and conscientious. Not only did Danny and Daz deal with the roof problems, Danny corrected a dangerous problem with my boiler flue that he had spotted and made good other work carried out by so-called tradesmen (not roofers) He took photos to show me just what the problems were. You can have complete confidence in this company. **Customer in Kettering, 17 February 2018**

Fixed ridge, roof tiles and guttering. 8.5 / 10

Very satisfied. **Customer in Wellingborough, 25 January 2018**

Roof tiles damaged during storm replaced. 9.5 / 10

Danny (Tradesman) had a difficult time locating replacement tiles, I know this to be true as I also tried numerous builders merchants. Danny remained courteous and helpful during an extremely busy period immediately after the storm when it

would have been all too easy for him to turn the work down to concentrate on more lucrative business. He even completed a 25 mile round trip to collect the tiles. Top fella! **Customer in Kettering, 23 January 2018**
