New kitchen fitted, plumbed in a first time dishwasher and tiling. 10 / 10
 Derek removed my old kitchen and tiles and fitted a new one, only working off the picture/drawing that I had received from Wickes! And did an incredible job. The tiling is superb and the kitchen looks amazing. I came home every day to a tidy kitchen and there was often a lot of progress made to gaze at! Derek was very thorough, very pleasant, punctual, his quote was reasonable and he and offers a high standard of work. I really can't recommend him enough. **Customer in Bicester, 1 August 2017**

New kitchen and removal of wall. 10 / 10
 Derek from D Stone Interiors replied promptly with a very professional quote, to remove a wall and fit a new kitchen in our house. From our first meeting, Derek put us at ease with his calm and helpful manner and we knew he was the right man

for the job. Derek was reliable, helpful with ideas and kept us fully informed throughout the project. We are very pleased with our new kitchen/dining room and our new flooring also looks fantastic, it just finishes the room off so well. We definitely made the right choice to go with D Stone Interiors. We highly recommend them and would use them again.
