Recent Customer Feedback

New boiler. 9.5 / 10

We were very happy with the work David carried out. He was a nice, reliable and professional guy. He did the job very thoroughly. **Customer in Orpington, 16 April 2018**

Worcester Boiler Replacement 10 / 10

David Webster responded promptly as we had lost power to our boiler. He offered a range of options as to how to approach the problem. In quoting David laid out in writing all of the work he was to do in a clear fashion. In summarising David laid out a price and made it clear this was the price the work would be done at. Realising a family without a boiler in February was uncomfortable David shuffled a few projects to be able to complete the work within the same week of us requesting his help. I am pleased to recommend him. **Customer in Keston, 8 February 2018**

Sorted out my toilet overflow flush. 10 / 10

David Webster did not advise me that I had the opportunity to comment on him, but I felt compelled to do so anyway. David was polite, clean, punctual and professional. Job done! No fuss! Very reasonable price. So nice not to be ripped off as I am a retired woman living on my own. I will use David again and highly recommend him. **Customer in Bromley, 12 October 2017**
