Replacing a felted flat roof with fibreglass. 10 / 10
Alastair was a true professional from start to finish - we had a quick response to getting a quote and arranging to do the job. Alastair and his lads turned up promptly and were excellent in all aspects of the job. We were kept informed throughout the works, they cleaned up really well at the end of each day and at the end of the job, they also cleaned down the fascias. Alastair and his team are excellent guys and have done a fantastic job on our flat roof. I would definitely recommend them - they are the fibreglass experts! **Customer in Dudley, 21 February 2018**
