Recent Customer Feedback

Remove and re-bed verge tiles and change ridge tiles from mortar to dry fitting. 10 / 10

Highly recommended. Part of the job was to overcome problems caused by others' poor repairs to damage caused by gales. They also corrected shortcomings in the original construction. Prior to and during the work, they explained everything they were doing. They took photos for us of the bits we couldn't see and left everywhere neat and tidy. Scott and Gary are also really nice people, so we were actually quite sorry to see them go! **Customer in St. Leonards-on-Sea, 20 April 2018**
