Mike came back after fixing my shower to replace a leaky radiator for me. New radiator plus valves with drain point plus new system inhibitor. He even serviced our filter for free! Happy once again :) **Customer in Gosport, 9 March 2018**

#### Upstairs Shower Leaking Through Ceiling!

10 / 10

Mike was amazing - I phoned up just a few days before Christmas and he managed to come out to my house in just over an hour. He kept me informed with all the work he was doing, explaining as he went about what the issue was and various options I had to resolve the problem. He managed to temporary fix the leak for me and will be coming back in the new year to sort the issue for good. I didn't even ask for a quote so he could have charged me anything, but the price was more than reasonable, very happy customer :) I would highly recommend. **Customer in Gosport, 20 December 2017**

Fantastic job, very clean and tidy. All tasks were completed in a professional manor. Dust sheets were laid throughout, Mike is very friendly, easy to communicate with, completes work on time, to a good standard at the agreed price. Certainly will use again and highly recommend. **Customer in Gosport, 12 December 2017**
