#### Hanging new oak interior doors 10 / 10

Kevin has done a superb job of hanging my new doors, not an easy task in a house as old a mine. Really impressed - I have booked him to hang a few more. **Customer in Tadworth, 2 November 2017**

#### Supplied and erected new feather-edge fencing with mortised concrete posts and capping detail. 10 / 10

Kevin is polite, punctual and tidy and I'm very pleased with the fence he built. The job took longer than expected because he had to dig out the base of an old concrete post but he did not charge extra for this. **Customer in Kingston upon Thames, 20 October 2017**
