### Recent Customer Feedback

#### New boiler and controls fitted 10 / 10

This is the second time we've called upon the services of Ed from Innovations and were once again very happy with the service we received. Living away from the property we needed someone reliable and trustworthy and this is what we got from Innovations. From our initial call to the finish of the job we were always kept informed and would not hesitate in recommending his services. 10/10 all round many thanks. **Customer in Crawley, 25 April 2018**

#### Boiler breakdown. 10 / 10

Ed attended when agreed, kept us informed with the ongoing issues found with the boiler, highly recommended friendly service. **Customer in Crawley, 24 March 2018**

#### Repairs to oil fired boiler. 10 / 10

This was not a straightforward boiler repair and Ed worked as quick as possible to complete the work. Only took a little longer due to waiting for parts to arrive. Not his fault. Constantly kept informed via phone and text to either myself or husband. Polite and a clean worker. Even took off his boots before coming in the house! No time wasting with breaks. Total commitment to completing the job. Very fair price and already recommending him to friends. Will definitely call him again for any future work needed. Thank you Ed. **Customer in Helston, 7 March 2018**

#### New LPG fitting and new ballcock. 10 / 10

Ed provided a very friendly and efficient service. A quick and tidy worker, he was very reassuring to my elderly mother and myself. **Customer in St. Agnes, 5 March 2018**

#### Annual service for gas boiler. 10 / 10

Ed arrived exactly on time, was efficient, informative and easy to talk to. He advised us on a few things that we had not previously known about our boiler connection, serviced the boiler and cleaned the filter. Afterwards he emailed a gas safety record which is not something we had received from our previous plumber. Thank you to Checkatrade website, highly recommended. **Customer in Hayle, 22 February 2018**
