Miele dishwasher problems.

I am very appreciative of the fairness of JRC-service, it turned out very soon that the machine could not be fixed by this company, as it was probably the motor being faulty. So the JRC man did not charge me and advised me to go to Miele Services directly. He was very pleasant and courteous and honest, very impressed! **Customer in Fareham, 5 April 2018**

My washing machine was full of water and not draining, hazard lights flashing. I found JRC on Checkatrade website . Phone call was answered immediately, likely problem explained and standard price quoted. Within 2 hours the job was done efficiently and advice given. Thank you JRC. **Customer in Fareham, 18 January 2018**

What an utterly reliable workman. He answered our initial emails, kept in touch by phone and fitted in with our time commitments. Highly recommend. Would definitely use him again if needed. **Customer in Fareham, 6 December 2017**
