Remove old roof and completely renew everything. 10 / 10

All spot on... on time.... all to the specs agreed.... looks great so we are all really happy (gave him a tip so I must have been happy).....would defiantly recommend him. **Customer in Hereford, April 2019**

Nathan completely re-roofed our house after a significant leak. Most importantly, he went on to the roof to look (others who quoted did not) and took photos to show the state of repair and what works needed doing.. His quotation was prompt and detailed. He answered any queries we had with transparency and patience and was both amenable and courteous at all times. We were delighted with the works done- Nathan is a perfectionist and a craftsman. 10 / 10

The work has greatly enhanced our home. After the completion of the work, people actually stopped by to comment, in particular, on the quality of the lead work. He also provides a ten year guarantee. **Customer in Devizes, May 2018**
