New patio laid and pond created. 10 / 10

It has been an absolute pleasure having Phoenix Gardeners transform our garden. They have been friendly and polite from quote stage and throughout the work. They have gone above and beyond to make this project a reality for us. I would not hesitate to recommend them. Job done to an excellent standard, patio looks outstanding and pond is magical. Mark and his team have been fabulous. Previous experience with tradespeople had left me anxious about having work done but Phoenix have restored my faith that excellent tradepeople are out there and we found them in Phoenix Gardeners.
