New gas supply pipe and gas cooker installation. 10 / 10
Carl gave an excellent service. He took care and attention in his work and was polite. I had roughly estimated the overall cost before I hired Carl so knew the price asked for after job complete was fair and reasonable for the materials and labour involved. Carl even disconnected a gas fire in the lounge that he thought was not safe. This shows Carl cares about people's safety and carries out a duty of care in his work. I will hopefully hire Carl again in the future to carry out more works. **Customer in Brighton, 27 February 2018**
