Fixed Central Heating Boiler

9.75 / 10

Desperate, with no heating or hot water on the coldest day of the year, we contacted Reactive Response after getting no response from BGas, who didnt seem to have anyone to answer their phones! Ricky promised to get to us the same day. He kept us informed of his estimated time of arrival, On arrival, he quickly diagnosed the problem and it was fixed within the hour. He was extremely polite and courteous. We shall definitely cancel our Homecare agreement with BGas and use Reactive Response for our future Central Heating needs. **Customer in Uckfield, 1 March 2018**

Service Worcester boiler.

10 / 10

Ricky Field came at short notice to sort our central heating boiler (which had clogged up because of not being serviced for some years and kept switching itself off). The job only took an hour or so, but worth every penny (especially at this time of year.). He says he will in future let us know when the next service is due! Recommended. **Customer in Hassocks, 1 February 2018**
