Supply and fit mixer tap

9 / 10

Booked between 10am-12. Phoned 12:10 to say late. Arrived 12:25 but then had to go to buy tap (SE Plumbing) previously re-mailed me photo of tap they proposed to fit but then charged me for time taken to buy tap! **Customer in Dorking, 6 June 2018**

Reply from Trader: Thank you for your feedback, I am sorry to hear that you were un-happy with the service provided by us. I have looked into this and I can see that the engineer was delayed due to dealing with a previous emergency job which took slightly longer than expected. We have refunded the time taken to collect the part, as this job was quoted in advance material collection should not have been charged. We really hope that you accept our apologies and that the discount was acceptable.
