SKS provide an Absolutely fantastic service. They are highly reliable and highly skilled. They have undertaken a wide range of jobs for us in our community centre and we have always been extremely satisfied with their work. We fully recommend them and will be using them again ourselves in the near future. **Customer in Sheffield, 20 March 2018**

Stair rail and outside hand rails fitted 9 / 10

Reliable. Work done to a high standard rails all securely fitted. Only one very small gripe, feel that they could have sanded down stair rail before painting and fitting. But can easily be rectified. Cleaned up all mess afterwards. **Customer in Worksop, 15 March 2018**
