Wall mounted TV.

We have used Sound and Vision previously and would not consider going anywhere else. Their expertise is vast and knowledge huge. A very pleasant and friendly, family company who are always entirely reliable. Definitely give them a go as you won't be disappointed. **Customer in Gosport, 12 April 2018**

Contacted Nik when we moved house. He was brilliant from the outset. Came round at short notice, had some great ideas, his customer service was amazing, really friendly and helpful. We would thoroughly recommend Sound and Vision and we will definitely be using them again. Thank you Sound and Vision. **Customer in Eastleigh, 29 March 2018**

Install new TV and sound system.

10 / 10

We have used Sound and Vision before and were excellent and therefore used them again to update our system. They listened to what our new requirements were and then made suggestions how best to achieve this. The suggestions they made worked brilliantly. Nick and Roger carried out the work extremely proficiently, quickly and tidier than any other workmen we've experienced. Would highly recommend them. **Customer in Fareham, 29 January 2018**

TV Room with Surround Sound.

10 / 10

Very impressed from start to finish. Nik visited early to discuss our requirements and offer his professional advice - really important to get what you want (and can afford). Nik came up with brilliant ideas - thanks Nik. The work was carried out by Nik and Roger (Nik's Dad) and was completed to a very high standard. We're really impressed with the final result

(including having all devices in an adjacent room - hence keeping our TV room clear of everything other than the TV and flush speakers). Thanks to you both! Have a great Christmas (WE WILL..... watching TV in our new room.....)
