### Recent Customer Feedback

#### New hall and kitchen floors tiled. 10 / 10

Trevor went above and beyond excellence to complete the work. The floor was uneven in places which made the work more difficult but Trevor managed to complete the work to an excellent standard. We were delighted with the finished result and would be happy to recommend/use Trevor again for any future work. **Customer in Horsham, 21 March 2018**

#### Tiling of Bathroom Walls and Floor. 10 / 10

Trevor recently tiled my new bathroom (walls and floor) which was quite a fiddly job given that the tiles were small (metro tiles with dark grout) and required very precise alignment around a window and a boxed area. The result is beautiful and we are delighted with the workmanship. Trevor is meticulous, reliable, very tidy, and very pleasant to work with. Would highly recommend and would be my first choice for any future work. **Customer in Pulborough, 19 December 2017**

#### Tiled new extension floor that wasn't flat and finished off some tiling we had started and given up on. 10 / 10

Excellent and efficient workmanship by Trevor who we found to be nice and reliable. We're so pleased we got him recommended by a friend and that he took on our job. Can't wait for him to come back and tile our kitchen floor. **Customer in Pulborough, 28 July 2017**
