#### Solar PVC installation.

10 / 10

Very helpful, hardworking and lovely people. Would highly recommend them. **Customer in Worthing, 16 April 2017**

#### Solar P V install.

10 / 10

At least a company that delivers everything that they promised. No sales pitches just pure professionalism from them from start to finish! Excellent communication throughout. At no point did Steve rush me with any queries or questions, it was all explained in depth and with good knowledge. This is what filled me with confidence to go with this company! Excellent and tidy work when fitting and very pleased with end result and service. Many thanks to Steve, Sophie and Dan for a rare stress free job. **Customer in Hailsham, 22 February 2016**

#### Solar PV installation.

9.5 / 10

This family run business is thoroughly professional. They talked me through the process and kept me informed at each level. The staff are very kind and courteous. All my enquiries were dealt with immediately. I strongly recommend Sussex Energy Advisors for solar installations. I would recommend this company. **Customer in Lancing, 11 February 2016**
