Arrived earlier than planned and finished so quickly. The door is like new, it's opening and closing with ease. The door was jammed shut and no amount of pushing would open it but now it is perfect. Can't praise him enough **Customer in Worthing, 23 March 2018**

Excellent service and extremely reasonable compared to other local locksmiths who quoted more work for higher price. Really pleased with Pats price and work and would trust him again. **Customer in Worthing, 8 March 2018**
