Large old boiler and water tank removed, new small boiler installed. 10 / 10

THT Ltd were amazing throughout, from our panicked call for help when the old boiler died, to coming to have a look, quoting and fitting us in as soon possible. The work was superb and the new mini boiler works perfectly for what we need whilst saving us money on our bills. The team were sympathetic to our need to fix the problem quickly as a fellow independent small business and we are so thankful to them for that. The work ended up coming in at less than quoted too as they worked so speedily. Thank you so much for being our heroes and turning our mini disaster into an actually pleasant experience. **Customer in Southampton, 10 April 2018**

Conversion of small cloak room into wet room. 9.75 / 10

Tom and his team impressed from the moment he responded to my enquiry to completion of the work. They were prompt, polite and thoroughly professional. Where they used outside trades they clearly worked to the same ethos as THT, and Tom remained responsible for both the quality of their work and how they went about performing the work. It is an absolute delight to find a team who's focus was 100% on the clients requirements and needs - I never expected to be able to use the term 'delightful' for any team of craftsmen but Tom and his team thoroughly deserve that title. **Customer in Southampton, 12 March 2018**
